

# MEMORY GAME

## INSTRUCTIONS

### Step 1: Download & Print

Download the printables and print one copy of pages 1 – 4 on 8.5 x 11” sized paper.  
Cardstock is ideal for sturdiness but regular computer paper works just fine!

### Step 2 (optional): Print Backside

If desired, insert paper back into printer and print page 5 on the backside of each sheet.  
If you’re using thinner paper, this will help so they’re not see-through.

### Step 3: Cut

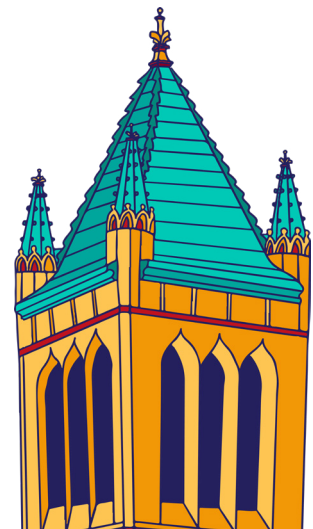

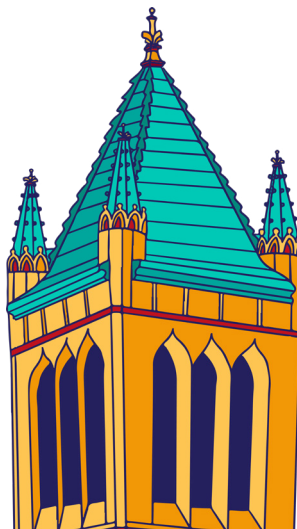

Use a scissors to cut out the printable memory game cards.  
Then follow rules on the last page to play!

## MEMORY GAME RULES

1. Mix up the cards.
2. Place each card upside down on the table or floor in rows.
3. Each player will take turns flipping over two cards.
4. If the two cards match, the player will keep the cards.
5. If they don't match, flip them back over in the same spot.
6. The goal is to watch closely and remember where the cards are.
7. Whoever has the most pairs at the end, wins!
